## HTAS is still here for you!

We were so excited in June when we were notified that we were able to go back to somewhat normal and be able to offer more of our classes in person.

With the emergence of the Delta variant, we were recently notified by The School District of Haverford Township that they were no longer allowing outside organizations to use the school buildings this fall. Of course we were disappointed and we know many of you are as well. But we know the health and safety of our community is most important!

The School District will be re-evaluating the situation and we are hopeful that we will be able to run more-in person classes in the spring.

Until then, we have a number of virtual options, along with a variety of in-person classes at alternate locations. We hope you will stay connected and continue to learn and grow with HTAS!

### Classes Begin: Monday, October 4

Thank you, Suzanne McDonough Betz!

Haverford Township Adult School wishes to extend its gratitude to Suzanne McDonough Betz. Suzanne is retiring after volunteering her time for 43 years as the administrator and instructor for Social Skills for Developmentally Delayed Adults. Suzanne also spent 38 years on the Haverford Township Adult School Board.

The classes were first offered in the 1978 Haverford Township Adult School Spring catalog and focused on a new group of adults never before included in the public classes. For the first time, developmentally disabled adults had a class to attend just for them. Called Social Development, the class included all sorts of activities including music, art appreciation, gardening, cooking, exercise, dance, travel, etc. The students were encouraged to speak up and share their ideas on nature, animals, and holidays. The local police visited, and fire companies brought their trucks to discuss fire safety. The class included many ability levels but everyone was included and respected.

The Gertrude Steward Foundation is very proud of the program and delighted to think back on all the lives that have been touched over the years. Suzanne, HTAS wishes you a happy retirement, and we thank you for your many years of community service!

**COURSE CANCELLATIONS:** Haverford Township Adult School reserves the right to cancel classes based on low enrollment, instructor non-availability or related reasons. Notification of cancellations will be made by phone or e-mail.

**REFUNDS:** Refunds will be given by check only in the event of a canceled class. If you are not satisfied with your course after the first class has met or if you WITHDRAW because of illness, personal emergencies, moving or any other event beyond your control, you will be issued a WEB CREDIT for a maximum of 50% of the tuition fee. To qualify, you must notify the HTAS office in writing. If you notify the office of WITHDRAWAL at least five (5) business days prior to the first class, you will qualify for a full refund of your tuition.

Web credits may be used to register for HTAS classes within two years of the date they are issued. Web credits may be used by another member of the same household but are not otherwise transferable. If a web credit remains unused two years (four semesters) after the credit was issued, it will be considered as a donation to HTAS and will no longer be available to be used as a tuition payment. Of course you may opt to designate a web credit as a tax-deductible donation at any time by advising HTAS in writing of your intention to consider the credit as a donation.

**TRANSFERS:** You may transfer from one class to another if space is available by paying a \$5 fee for each transfer.

**SINGLE SESSION ADMISSION:** You can buy a "Try a Class" ticket for any unfilled course of four sessions or more the night of the first class for a \$10 fee. This fee will be credited toward your tuition if you stay for the term.

**HIGH SCHOOL STUDENTS:** Students in grades 9-12 must have parent signature when registering (included on the mail-in registration form).

**SMOKING:** Smoking is prohibited on school properties.

**ACCESSIBILITY:** The Middle School & Senior High are accessible to persons with disabilities. Please call Adult School office at **least one week** before classes begin if you need any special arrangements.

### About HTAS

While we receive no direct taxpayer funds and rely very heavily on students' enrollment fees for the bulk of our expenses (brochure printing and mailing, instructor salaries, Adult School employees, and facility charges) we appreciate any and all donations from individuals and organizations, and especially services and facility access provided by the School District of Haverford Township.
